## Dairy Queen Operators Reunion

**Please join us Saturday, October 6, 2018, 4-7 PM  
aboard the Jonathan Padelford Riverboat  
on the Mississippi River**

**Register today and enjoy great fellowship with other  
Dairy Queen operators and a chance to see the fall  
colors from the Mississippi River!**

# Minnesota Dairy Queen Operators Reunion

**Where:** Harriett Island, St. Paul—Padelford Landing

Padelford Riverboats does not have a physical address since they are located on the water, though some guests have had success with this address: 205 Dr. Justus Ohage Blvd, St. Paul, MN 55107. Some GPS devices do not take well to this address. You can also visit their website [www.riverrides.com](http://www.riverrides.com) and click on "Maps".

Free parking is available in a lot shared with the Wigington Pavilion at Harriet Island. There is overflow parking on Water Street outside of the park on 90 W. Plato Blvd.

**When:** Saturday, October 6, 2018—4:00-7:00pm

Loading starts at 3:30pm

**Boat leaves the dock promptly at 4:00pm**

**\$30 per Person includes:**

- ◆ 3 hour Mississippi River cruise on private charter
- ◆ Heavy hors d'oeuvres
- ◆ Two drink tickets (cash bar will also be available)
- ◆ Attending Bonus\*

## \*Attending Bonus

Current DQOA members that have paid MN State dues that attend will get a \$100 Sysco credit or a Fraud Fighter CT-550 (valued at \$150.00). Must make selection in advance on the registration form. Must attend the cruise to receive either offer. No shows will not receive their free gift.

Non DQOA members that attend will receive one free year of paid dues in DQOA (a \$250 value). Multiple store operators, some restrictions apply. Must attend the cruise to receive offer. No shows will not receive their free membership.

## Counterfeit Money Scanner

**FRAUD FIGHTER™**  
Produced by **UVeritech**

### Features and Benefits

- ✓ Portrait Pattern Recognition
- ✓ Infrared detection
- ✓ Magnetic detection
- ✓ Paper Quality and thickness detection
- ✓ Verification speed: less than a second per bill
- ✓ Displays grand total value - large LED display
- ✓ Displays number of verified bills for each denomination
- ✓ Automatic bill feeding - Easy to operate
- ✓ Front/rear bill ejection option
- ✓ Visual and sound alert on counterfeit bills
- ✓ Large LED display
- ✓ Verifies: US dollars
- ✓ Easily upgradeable for future releases of U.S. Currency
- ✓ NO future upgrade expense for recognition of future US notes. (already programmed for the new \$100)

### Easy-to-Use

The CT-550 is a fully automatic detector that does not require any bill authentication knowledge by an operator. The CT-550 instantly verifies the authenticity and the denomination of the bill. The CT-550 can be used portably, included is an internal rechargeable lithium battery so it can operate for extended periods of time without needing to be plugged in.

### Ideal retail solution

Ultra compact size, the CT-550 is perfect for locations where space is at a premium and an electrical outlet is not always available. The bill verification speed of less than one second guarantees your customers a smooth and undisrupted cash transaction.

### **Fraud Fighter™ CT-550 Specifications:**

**Verification Types:** Infrared, Magnetic Ink, Portrait Pattern Recognition, Paper Quality Thickness and a variety of other physical characteristic tests

**Dimensions:** Length: 5-3/8 inches; Width: 6-1/8 inches; Height: 3-1/4 inches

**Speed:** < .5 Seconds per note.

**Net Weight:** 1 lbs.

**Display Type:** Large LED

**Power Supply:** AC100V~240V 50/60Hz or DC12V/1.0A. Battery: Rechargeable Lithium 10.8V/600mAH

**Warranty:** One year limited warranty
